logging in Nantahala National Forest and Pisgah National Forest

Dear Sir or Madam:

I am writing today to say that I do not want to see wide-spread logging in either of the National Forests in my backyard. I go hiking, camping and swimming in these forests and do not want to see them destroyed.

I hope you listen to those of us who are protesting this. We need to SAVE our mountains and trees, not destroy them. Our very lives depend on this.

Susan Oehler
