Aloha, I and 4-6 other Hawaiians from the state of Hawaii visit CO every year to ride our motorcycles in the Rico West Delores Roads and Trails and we stay at the Circle K Ranch Motel. We stay in CO 15 to 20 days and ride in the Gunnison area also. By far the Rico area is our favorite riding area. Please don't change this area. It not only is a superb riding area but it brings money into the surrounding businesses. Without this area we would not have a reason to visit the town of Rico or patronize the businesses. Thank you, Duane I.
