comment on Dolores Ranger Dist

I would like to comment on the Dolores Ranger Dist. of the San Juan National forest travel plan. I live in Steamboat Springs and like to vacation in your area and enjoy the wide variety of single track motorcycle trails available. I feel it's important to keep these motorized trails open or open new trails as a replacement if current single track trails are closed. I also feel it's important to differentiate between one group who may have political/environmental agenda's and legitimate user conflict. In areas where user conflict exists efforts should be made to accommodate existing single track routes.

Sincerely

Boyd Bass
