Subject: Opposition to Closure and Season Closure Restrictions Rico/West Dolores Southwest Colorado

I am writing to oppose the Travel Management Plan for the Rico West Dolores area (?RWD?) in southern Colorado. I would like this letter to be recognized as a "Vote" in the same direction as outlined by the San Juan

Trail Riders. Being an off road enthusiast it disappoints me to hear more historical riding areas are being threatened of closure. Given I do not live locally I cannot give my physical support opposing opposition to your plan.
