The Rico/ West Dolores proposal

Debbie,

I am attaching the plan that the San Juan Trail riders and others are proposing for the Rico/West Dolores area, in hopes that you will agree and implement the plan.

I am a 60 year old dirt bike rider and I have ridden the areas in question for about 35 years now. I have vivid memories of many special moments spent in this wilderness, and it would be tragic to lose these areas. These areas need to be monitored to remain open in a respectful, logical, and equal way. Closing the proposed areas will be a huge dis-service to motorcyclists.

I urge you to consider and use the San Juan Trail Riders proposal.

Respectfully,

Alan Roche
