Calico Trail System

Dear Sir or Madam,

I am in support of keeping all of the Calico Trail System open to bikers, hikers, hunters, and dirt-bikers. I have spent many years riding my dirt bike, mtn. bike, and walking/ hunting this area. It is supreme beauty, and it belongs to the people. Not just some wealthy interest group.

Many times on this trail I have moved logs and rocks, via my mtn. bike or dirt bike. I have helped other hikers find their way in a nice and neighborly fashion. I have even helped other bow and rifle hunters find their way along the trails. Our PAPA group is personally responsible for clearing all logs every June. We do so to help ourselves and others enjoy this magical area.

Please keep the trail open to all people of the community. Dirt-bikers help clear the trail, and they should not be expelled because of some 'hunter group'. I am a hunter, and I never get elk or deer near the trail. But I use the trail to get access to the Forrest.

A concerned citizen thanks you,

LUKE
