We are writing to express our opposition to the closure of roads and or trails in the Rico area to motorized travel. We own Mountain Top Fuel and Market in Rico. During the summer we do a significant amount of business with people who camp and ride in the area. Our business would be negatively impacted by their closure as it would prevent people from being able to ride into to town for fuel, supplies, etc.

Additionally, we believe that this kind of action should be postponed until the summer when more homeowners in Rico can voice their opinion on this matter.

Sincerely,

Gary and Marylyn Turner
