Rico-West Dolores Landscape

Folks,

In response to the most recent travel management plans in the Rico-West Dolores Landscape: Please do not accept plans that close or reduce the number of trails open to offroad motorcycle travel. My family and I have long enjoyed recreating on these trails and hope to continue these activities for years to come.

We strongly support the all plans that keep these trails open and even expand upon the existing trails.

Thanks!

Josh Budimlya and family.
