Comments:

I respectfully but strongly urge you to ban all cross-country motorized use so that vehicles must stay on designated roads and trails -- cars, trucks, ATVs, and dirt bikes.

I also urge you to build NO new motorized trails and to designate the following roadless areas as non-motorized:

Mad River
Lake Chelan-Sawtooth
Entiat/Chelan
Teanaway
West Manastash
Golden Horn
Tiffany

Thank you for your attention to this.
