Comments:

As well as causing erosion, off-road motorized vehicles absolutely conflict with other recreational users of wilderness areas and public lands. Top priority should go to protecting water quality and wildlife. Therefore, I urge the Forest service to:

--Ban all cross-country motorized use

--Build no new motorized trails

--Designate these roadless areas as non-motorized: Mad River; Lake Chelan-Sawtooth; Entiat/Chelan; Teanaway; West Manastash; Golden Horn; and, Tiffany.

Thank you!
