City: Snohomish

State: WA

Province/Region:

Zip/Postal Code: 98296

Country: United States

Email: barbara@soulproprietor.org

Phone: 425.220.8005

Comments:

Fossil fuels are irresponsible and should no longer be pursued as a form of energy. Clean energy is what is needed today. Further destruction of our wild public lands with the creation of roads is also unconscionable. The wild world needs room to exist, allowing for other species to live as well. Thank you.
