Comments:

Hello. I read through all your documents as best I could and found very little regarding any changes to the OHV trail systems. SC doesn't have much to start with, so I'd really hate to see less trails, and would LOVE to see more trails for my sons and I (and others of course) to be able to ride motorcycles, OHV's, etc. Can you give more details regarding any changes to the recreational trail systems? Thanks, Ryan
