First name: Michael

Last name: Cicerchi

Organization:

Title:

Official Representative/Member Indicator:

Address1: 8512 east Oxford dr

Address2:

City: Denver

State: CO

Province/Region:

Zip/Postal Code: 80237

Country: United States

Email: Mpcicerchi@yahoo.com

Phone: 3037415311

Comments:

These fossil fuels need to stay in the ground...period. The transition to renewable energy must take place NOW. Even w the Paris agreement we will never limit temperature rise to 1.5 degrees C. We cannot spend financial resources to reduce CO2 output with one hand while we subsidize it with the other. It is, in a word, STUPID! Not worthy of a supposedly 'intelligent' species.
