Address2:

City: Colorado Springs

State: CO

Province/Region: CO

Zip/Postal Code: 80906

Country: United States

Email: dottiechambe@earthlink.net

Phone: 7196860588

Comments:

With all the problems fossil fuels cause, we do not need another source to pollute our air and water and harm our health. Please do not allow any more dirty coal to accelerate global warming. We do not want to become China where you can't even breathe the air.
