Dear Forest Service,

I could live anywhere, but I choose to live in Colorado, in part because of the wild spaces we still have. Our national forests are a huge part of what makes living here in Colorado so great. We need to protect Colorado's forests, and expanding coal to mining under a loophole in the Colorado Roadless Rule is counterproductive to Colorado's best interests. I oppose the proposed amendment, and urge adoption of the "no action" alternative. Thank you.
