Dear Forest Service - Please say NO to Arch Coal proposal to mine 170 million tons of coal near Paonia, Colorado! Please say no and protect 20,000 acres of roadless forest.

Our national forests are a huge part of what makes living here in Colorado so great. We need to protect Colorado's forests, and expanding coal to mining under a loophole in the Colorado Roadless Rule is counterproductive to Colorado's best interests. I oppose the proposed amendment, and urge adoption of the "no action" alternative. Thank you.
