Title:

Official Representative/Member Indicator:

Address1: 1002 Abington Rd

Address2:

City: Cherry Hill

State: NJ

Province/Region: United States

Zip/Postal Code: 08034

Country: United States

Email: lougail58@verizon.net

Phone: 8564284052

Comments:

We must quit treating our wild places as commodities to be capitalized on when it suits us. We also must stop giving our forests away. If they are to be logged, the price should be dear. We have a history of charging so little as to be an embarrassment. The Forest Service should be serving the people's interests not special interests.
