Add your comments here: There is no definition is found for each of these "connected actions" of system road reconstruction, road maintenance, or re-closure of roads opened to implement treatments (this goes back to item 1. Roads stated as "currently closed" need to be presented to the public in scoping to allow them to comment on the current status of the roads.

I have spent a great deal of time in the area of this project and would like to see which roads you consider to be "currently closed"
