Decision

Sent from my Galaxy Tab

I am not familiar with all the details regarding the decision to be made about the area west of Rico, but was in the area years ago and found it very enjoyable. I am a 75 year old dirt bike rider who rides respectfully, and believe, unless there is a very good reason to restrict certain people from public areas, it should be left open to the public. I have ridden in southern Colorado since 1971, and plan to come back this fall. Have spent many dollars in the area as a tourist, and have recommended the area to many through the years. I trust the decision that is made will be in the best interest of the general public. Not some special interest group.

Thank you for considering my comments. Jim Laney, Wichita, Kansas.
