Comments:

The Calico trail should remain open to all uses as should the rest of the trails within the USFS and BLM property around Rico. Dirt biking is not a crime and in my opinion it is less harmful to the single track trails than horses. Some of these trails have been maintained by the local dirt biking community for the past several years and now they are being taken away. The visitor numbers are not high enough to offset the economic gains that dirt bikers bring to the Town of Rico during our summer months. Please keep the trails system around Rico open to all uses.

Thank you for your time,

Gregg Anderson

Former Mayor of The Town of Rico

Professional Engineer with trail design experience
