Phone: 425-749-9320

Comments:

Please do not limit access to the atv, utv or motor cycles in any areas.

we all pay taxes to keep these areas open to all.

these areas were paid for by the tax payers and if the forest service decides that they are not going to maintain a road - that fine - just leave it un maintained.

horses / motorcycles / atv's / jeeps - can still use it.
