Rico-West Dolores Road/Trail closer comments

Good morning, I would like to leave some feedback about the Rico-West Dolores Road/Trail closer.

I vacation in Colorado and have been doing so for 2-3 weeks each summer since 1988. I really enjoy the outdoors and enjoy the single-track opportunities for motorcycle riding with my son now that he is old enough to participate. I would like to see some expansion to allow for completion of "loop trails".

So it looks like Alternative A seems to be the best option going forward and also be enhanced by allowing loop trails to be considered in the future.
