Draft EA for Motorized Travel Management Comment

Live on Chinook Pass and have many friends who use the trails when jeeping and they do this responsibly. They should not be punished for the actions of the few who do not respect the rules and do damage to the area. Please do not use this as an excuse to close off roading. This would also adversely affect the businesses that depend on the summer visitors who are camping and enjoying the forests. I am totally against this proposed closure.
