Draft EA for Motorized Travel Management Comment

I wish for 0 roads to be compromised what so ever, but also realize that your hands are tied to accomplish action from this plan, I wish or choose Alternative D.

I feel the Okanagan Wenatchee area is the best area to recreate in the state for OHV'S and should not be taken away.

Not only does it bring families together, it brings much needed revenue to areas that have been stricken by lost logging operations.

Thank you,

Pamela Remley
