To whom it may concern

I have been enjoying the use of these trail systems for many years. Part of my use on these trails is on a two wheeled motorized vehicle. I have a love for the Dolores/Rico trails system. Who maintains the trails? dirtbikers is the answer! But i also believe that if everyone on the trail respected other people on the trail then we could all just get along. Lets all try to have some fun.

I oppose closing of trails to motorized vehicles in this area. I also support keeping the trails open to minimize dirtbikes having to use the highways to get to trail systems. Please keep our trails open to everyone.
