rico west delores travel management

for Debbie Kill

I was unable to get onto the website comment page because an error kept coming up for the last few days. So I'm making a last minute comment through your email. My address is 1716 Snowbush Dr., Montrose, Co 81403. I live in Ouray County and have been hiking the trails of the Uncompahgre, San Juan National Forests for the past 36 years. As a Senior Cit., 69 years old, I've found the Spirit Gulch trail in the Uncompahgre is a favorite because of the former road grades and quiet isolation. In the last decade I've given up on Yankee Boy, Black Bear, and Bullion King roads because of the motorcycle/atv traffic. I would hate to have to do the same in the Rico West Delores designated combined trail plan. Therefore I would like to see Bear Creek, Grindstone, rough Canyon, East fork, Northern Calico, Johnny Bull, East Fall and West Fall Creek, and Burnett Creek designated as quiet use Only trails. Thank you, Ron Hoeksema
