Subject: WWW Mail: Rico and West Dolores area

I am the author of THE TELLURIDE HIKING GUIDE and I interact with hikers daily who hope to experience the solitude and peace of our wilderness areas. These recreational enthusiasts have been offended by the noise of 4x4s, motorcycles and snowmobiles who seem to have free range in our local wilderness near Rico and W. Dolores. I would hope that in your care, our forests would be sanctuaries, protected from the harms of motor pollution. Please consider this is your future planning. Thank you, Susan Kees
