RE: WWW Mail: Speaking out for Quiet users

Thanks Fiona. I will forward this over to Debbie Kill who is coordinating comments on the analysis.

Let us know if you have any other questions.

Subject: WWW Mail: Speaking out for Quiet users

I am writing to express my support for Alternative E, and for seasonal trail closures that restrict motorized use

from July 1 to Sept. 8 in the Dolores River watershed. These measures will ensure protections for the environment and the experience of the majority of backcountry users who prefer the quiet and solitude afforded by non-motorized recreation.
