Subject: Motorcycle trails use

Motorcycle use is a valid use of NF trails. Please don't let big outside money shut me and my family out from riding in the SJNF.

Please give the local advocates for sustainable trail use a fair input and disregard the money and lie filled influence of Henkel. very sad.

Thank you!

PS- CO hi country dirtbiking is my main release from the stresses of farming and ranching. It saves me mentally while keeping me fit for my 56 years of age.

or is the use of our National Forests only to the whims of the obscenely wealthy?
