Thanks Mark. His statement is in reference to the Rico West Dolores TMP that includes Taylor Mesa.
Debbie, for the official record.

I have been hunting there for about 15 years now. we use that road to get to our campsite.
I hear you are closing it because of high maintenance costs.....BULL
You have never spent a dime on that road. Why close it?? if you don't want me there, I can take my party and the money to some other state. we are careful not to do damage. please leave it open. I don't want to look for a new place to hunt.
