Pisgah-Nantahala National Forests

As a member of IMBA and the Pisgah Area Sorba. Please consider the following comments:

1. We are pleased that the alternatives are friendly to Mountain Bicycling. We are grateful for that.
2. IMBA-SORBA recommends that USFS will give the MOU more consideration, including where we would recommend Wilderness.
3. IMBA-SORBA recommends that USFS create another option for the Wilson Creek area that includes options for mountain biking, and address the severe lack of bike-designated trails in the Grandfather district.
4. IMBA-SORBA urges the USFS to recommend National Recreation Area options for the Pisgah and Grandfather Districts.

Thank you

Chris Hughes
