stronger protections for ALL of Big Ivy

I am unable to attend this and most meetings. However I want to add my concerns to protect our trails. I agree with "Friends of Big Ivy" and will ditto their recommendations.

Please protect ALL of Big Ivy by doing the following:

- Designate Big Ivy's trail network and the old-growth forests of Coxcomb Mountain and Snowball Mountain as backcountry.
- Designate Big Ivy's trail-less, high-elevation forests as wilderness as recommended by the Buncombe County Board of commissioners.
- Ensure that any Special Interest Areas in Big Ivy prohibit logging.

Sincerely, Sheila
