Protect our forests

Dear forest service,

I ask you . . I beg you to put the wishes of the people who live here and those who visit from other places (where they no longer have forests ) above the greed of those who would cut and sell our beautiful trees for profit. People can make more money, but we cannot make more pristine forests . . especially old growth forests. Protect Coxcomb and Snowball Mountains. They need to be designated as backcountry. Designate Big Ivy's high elevation forests as wilderness!! Prohibit logging from any and ALL Special Interest areas in Big Ivy !!!

Do the right thing PLEASE!

Sincerely,

Reva Spawn
