Request for stronger protections for ALL of Big Ivy

Hi -

I am a resident of Buncombe County (zip code 28806), and I would like to state the request that all of Big Ivy be given permanent protection.

Specifically, I would like to see the Forest Service:

- Designate Big Ivy's trail-less, high-elevation forests as wilderness as recommended by the Buncombe County Board of commissioners.

- Designate Big Ivy's trail network and the old-growth forests of Coxcomb Mountain and Snowball Mountain as backcountry.

Thank you for considering my concern.

Best,

Katie Washburn
