Comments:

Please preserve the Upper Dolores Drainage and the Stoner Mesa and Bear Creek trails by keeping these trails free of motorized travel. Motorized travel deteriorates the trails, is noisy and conflicts with quiet users and wildlife. My work days are busy and filled with people and traffic....I go to these areas to breath in the quiet, hope to see wildlife, recover and get lost in the silence and clean air. Motorized users have hundreds of miles available already.

Regards,

Pam
