Rico West Dolores Roads and Trails Project

Shhhhhh! I'm listening and reflecting and getting recharged, but mostly getting away from it all. I'm hearing the water in the creek and the wind touching and turning the aspen leaves. I'm listening to my own footfalls and once in a while my own breathing. I'm listening to the tree squirrel announcing my arrival in it's neck of the woods. And every once in a while I hear nothing at all. Shhhhhh. Let's keep the Rico/Upper Delores quiet. Please make/keep the Bear Creek/Little Bear Trails foot traffic only. ?
