Big Ivy Protections

I visit Big Ivy at least six times a year, coming from the piedmont of NC.

Don't sell out Big Ivy. There are few areas of our state have not been sold out.

PLEASE let this be where our decedents can visit and say 'look, they didn't always let greed win over nature'

Protect ALL of Big Ivy by doing the following:

- Designate Big ivy's trail network and the old-growth forests of Coxcomb Mountain and Snowball Mountain as backcountry.
- Designate Big Ivy's trail-less, high-elevation forests as wilderness as recommended by the Buncombe County Board of commissioners.
- Ensure that any Special Interest Areas in Big Ivy prohibit logging.
