Spring 2017 Material Plan building blocks

Hi

I love Pisgah Forest, I'm out in the forest mountain biking, hiking, swimming and camping often. My frustration lately has been the amount of people "camping" on Yellow Gap road and Avery creek road. The free camping sites are not available due to the high amount of people who appear to be living there. I noticed this weekend, there was a tent set up with junk nearby and did not look like anyone was staying there. Is this regulated at all? Anything I can do to help

Thanks!
