Comments:

This is a cautionary note and request that you clearly distinguish two comment letters that were submitted today via this site and which can be easily confused in the planning record index.

One comment letter was submitted by Holly Harris of EarthJustice on behalf of a number of organizations, including Alaska Rainforest Defenders. The organizations are listed alphabetically on the letterhead, with Alaska Rainforest Defenders listed first. In her transmittal message Holly referred to these comments as "Alaska Rainforest Defenders et al."

The other comment letter is a separate, independent effort submitted by Alaska Rainforest Defenders under its own name.

Also, I don't recall whether I checked the "I am submitting for an organization" box, when I submitted the latter comments, but they are official Alaska Rainforest Defenders comments -- so as may be appropriate please fix that for us manually.

Thanks,

Larry Edwards, President
