Comments:

Secretary Perdue,

We definitely need to open the Tsongas to road building and repair the roads that were blocked and damaged by the USFS. We also need to start using the valuable timber that is going to waste. While you are at it you need to close 50% of the USFS offices in the Tsongas and 80% of the USFS personnel, as they do nothing since there is no timber being cut.

Sincerely, Joe Holden
