Comments:

Dear Ms. Ford and Mr. Schade,

Attached are my recommendations for the WSR interdisciplinary team's review of "changed circumstances" that may have diminished or disqualified the outstandingly remarkable values for currently eligible wild and scenic rivers on the Salmon-Challis National Forest.

I will bring a signed original of my comment letter to the Supervisor's Office to be added to the Forest Plan Revision planning record.

Thank you for the opportunity to comment.

Sincerely,

Evalyn Bennett
