Comments:

I am recently retired out of state, but I lived in the Tongass for almost 30 years. We all know that logging roads in the Tongass are paid for by the tax payers and there would be no one wanting to log in the Tongass with out massive subsidies. Logging the Tongass, other than for local use is stupid and a waste of money as well as disruptive to local people and communities.

No more logging roads in the Tongass. Please.
