Comments:

I live in sterling ak and I ride my snowmobile in turnagain pass, summit lake, Johnson pass, primrose, fireman's, and snug harbor every weekend. I am a member of the snow shredders 2.0 group where we pride ourselves on picking up litter and cleaning up after others. We all take great pride in the land That we have. I would like to see the current management plan unchanged or expanded for local use with less regulation. The majority that want our access shut down live out of state. I hope you will put more weight on comment from locals than the millions of people that are not directly effected.
