Comments:

To my fellow Alaskan's,

I was born and raised here in Alaska and I have spent the last 35+ years enjoying snowmachining, hunting, fishing, hiking, camping, and various other activities with my family as a child, and now passing these things on to my sons as they were passed to me. I do not support any closures to recreational riding areas or any more limitations. I have chosen to remain in Alaska and raise my family here because of this way of life being available to us like no other place offers. I would hate to see the influence of NON-residents sway the out come of this revised plan, and can only hope that it is taken into account when reviewing these comments. Non-residents have no possible way of knowing whats it's like to live in our great state.

That being said, I support Alternative B.
