We all use the back country. Why would we be trying to limit the use of areas to a specific way that only certain people enjoy. Please Stop limiting access to these areas. It seems that people are always trying to limit what others do or should do. Mind your own business and stop trying to only allow people to do what YOU feel should be allowed. I would never go to an area and try to stop people from skiing/snowboarding,hiking, horseback riding, hunting, or any other activity.
