Hi, my name is Lincoln. I am 13 years old and my dad just recently bought me my first snowmobile. I haven't ridden much yet since I don't have any experience but I see all the pictures of where my dad goes. I really hope to be able to see as much of the Kenai mountains as I possibly can. Please don't restrict the riding areas anymore than it already is. Maybe even open up some more areas for beginners. I really enjoyed my rides last year into crescent lake and also placer and resurrection.

Maybe when I get older places like nelly Juan, Whittier and lost lake will still be open because the pictures look amazing and I really want to go there.

Thank you.

Lincoln
