I am an avid motorized user in turnagain pass, lost lake, placer and the chugach area. I feel option B is best. Please avoid choosing plans C and D because there are restrictions in these that would not allow me to access some of my favorite riding areas. There is also no addition need to expand or create any new wilderness areas. The 1.4 million established in 2002 is plenty. Thank you for your time and consideration of my input.
