Comments:

Please consider my comments as a PWS area user/recreationist.

- Reinstate the term wilderness back in the Plan where it has historically been.

-I support Alternative D, and suggest several additions. The lands acquired through EVOS should be included: Jackpot Bay, Paddy Bay, Hogan Bay, and Junction Island as well as lands near Nellie Juan Lake.

-Please do whatever is needed within the proposed changes/alternatives to minimize the use of chain saws except where legally allowed already.
