Comments:

I moved here to Alaska as a young child. My dad got me into snowmachining and now I've begun to get my young son into the sport as well. I don't ride in the CNF as much as I'm sure a lot of the people who have commented do, but I hope to continue to explore some of those riding areas. I have not taking full advantage of the areas in the CNF, but I hope my right to doesn't get taken away. I've reviewed the maps, and I think option C or D are completely unacceptable. I would hope that option B will be chosen so I can continue to ride, and when my son gets to the age he can be riding with me in some of these amazing areas. I hope you listen to the majority of the people who actually ride in these areas. Thank you for your time.
