Comments:

I am 28 and am an avid snowmobiler and have been since I was 5 years old. I serve my community as a police officer and firefighter. Being able to have the opportunity to get out and ride every year in all kinds of areas is a blessing and what I live for. I ride all over the state and would hate to see ANY riding areas across Alaska shut down. It would be a devastation. There's absolutely no reason any riding areas should be taken away or restricted.

I would like to see the Plan B option take effect and also would like to increase and maintain all motorized access corridors. Also, there shouldn't be any expansion of or additional designated wilderness areas.
